Subject: you met Dennis - i trust him on recommendations

I wanted to highlight three candidates for the Science Advisory Board, who were nominated by our client, Dennis Treacy, the President of the Smithfield Foundation. Each of the nominees would bring a unique perspective to the Board and its work, with all three engaged in key issues facing the EPA.

Ex. 6 - Personal Privacy

All three welcome the opportunity for the EPA to consider their nominations. Each nominee is a resident of Virginia, which would facilitate their active engagement and participation with the SAB.

I seldom talk to Scott but Vicki does. She has talked to Scott about this kid who is important to us. He told Vicki to talk to you about how to handle this.

I am not sure personally that this is a good idea for [Ex. 6 - Personal Privacy] unless he is working near you. Sticking him down in the bowels is death at EPA.

His family is all [Ex. 6 - Personal Privacy] by the way.

Hi Mr. Hart,

Attached are the relevant sections of my EPA application.

There was also drop down menu section asking which areas/agencies I desired to work. For agency, I selected EPA. For positions I selected Policy positions, Financial/Research Positions, and for policy areas I selected Environmental, Economy, Technology, Banking/Financials.

Thank you for taking the time to help me with this.

Sincerely,
